# ABOUT OUR EVENTS

## NATIONAL CARNIVAL

► 16<sup>th</sup> - 17<sup>th</sup> February, 2026

The National Carnival celebrations in Tobago will be held on February 16–17, 2026, will bring the island to life with street parades, costumes, pulsating soca rhythms, and traditional masquerade. As part of Trinidad and Tobago's world-renowned Carnival season, the event showcases Tobago's unique flair, offering visitors a mix of culture, creativity, and tradition.

## TOBAGO HERITAGE FESTIVAL

► 16<sup>th</sup> July - 1<sup>st</sup> August, 2026

The Tobago Heritage Festival is a yearly cultural celebration that takes place from July to early August across Tobago. Since its inception in 1986, the festival has focused on preserving and honouring the island's distinctive traditions and cultural legacy. During this period, different villages come alive with events that highlight traditional music, dance, storytelling, and local cuisine. The festival provides a rich, hands-on experience of Tobago's vibrant heritage and historical customs.

## TOBAGO BLUE FOOD FESTIVAL

► 18<sup>th</sup> October, 2026

Every October, the serene village of Bloody Bay transforms into a gourmet destination with the Tobago Blue Food Festival. Celebrating dasheen, Tobago's signature "blue food" the festival invites visitors to indulge in innovative cuisine, where local chefs and home cooks craft elegant dishes, desserts, and drinks. Paired with live entertainment and the island's stunning natural beauty, the experience blends culinary discovery with Tobago's warm hospitality, making it a must-attend for locals and visitors.

## TOBAGO CARNIVAL

► 30<sup>th</sup> October - 1<sup>st</sup> November, 2026

Tobago Carnival is a premier cultural celebration that highlights the island's vibrant heritage, music, and artistic expression. As the final Carnival on the global calendar, it gives participants a chance to close the season in spectacular fashion. The event offers a last burst of festive energy with lively street parades, colourful costumes, pulsating soca rhythms, and traditional performances all set against the stunning, picturesque backdrop of Tobago's scenic beauty. In 2026, the festival takes on added significance as it marks the 5th anniversary of the Tobago October Carnival celebrations, promising an even more memorable showcase of cultural diversity and creativity.

An aerial photograph of a tropical beach. The top half of the image shows dense green foliage. Below the trees is a wide, sandy beach. In the center of the beach, the words "I ❤️ TOBAGO" are written in the sand. A small, colorful boat is anchored in the shallow, turquoise water just off the beach. The water is clear, revealing the sandy bottom and some rocks. The overall scene is idyllic and peaceful.

# You're Invited to Immerse Yourself in TOBAGO'S CULTURE

FROM FEASTS ROOTED IN TRADITION TO FESTIVALS ALIVE WITH COLOUR & RHYTHM, 2026 promises moments that bring our island's story to life. Together, we move forward with renewed creativity, connection, and purpose—welcoming all to experience Tobago.

## \* Paper Girls

The "Paper Girls" sing picong to spread news and commentary, a local tradition seen during the island's Festivals.

## \* Tobago Carnival

Tobago Carnival celebrates rhythm, culture, and creativity through our iconic mud, mas and musical festivities.

## \* Belmanna Riots

The Belmanna Riots of 1876 saw freed Africans in Roxborough protest low wages, becoming a key moment now commemorated during the Tobago Heritage Festival.

## \* Dasheen Wine

The Tobago Blue Food Festival celebrates dasheen (taro) and its many uses each October in Bloody Bay.
